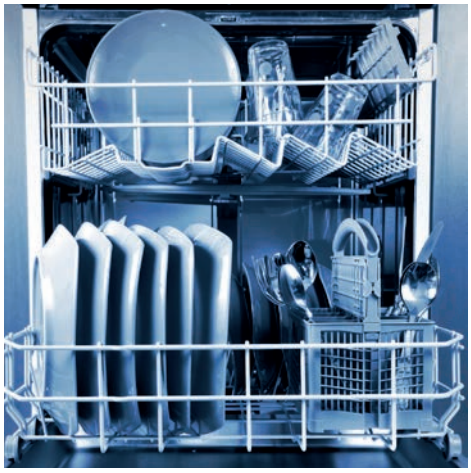
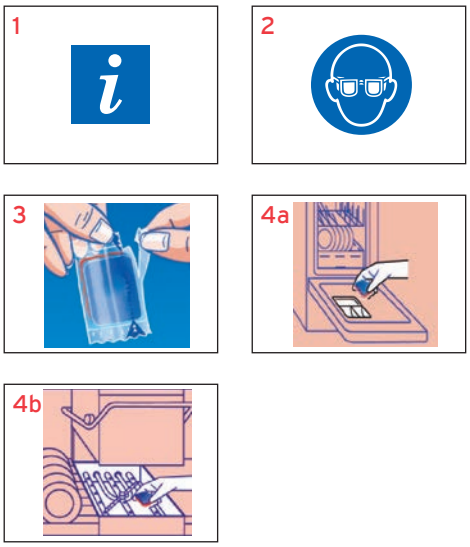
Eco-Clin Tabs 88
MACHINE WAREWASHING TABLETS

Eco-Clin Tabs 88 are machine warewashing tablets, suitable for all types of kitchenware, washable in a dishwashing machine. **Eco-Clin Tabs 88** provide outstanding cleaning performance. The product formula especially protects glasses against glass corrosion and clouding. The tablets dissolve heavy deposits e.g. protein and starch build-up and are highly effective against coffee and tea stains.

- **Perfomance:** Effective against protein and starch build-up as well as coffee and tea stains.
- **Efficiency:** Simple application guarantees easy and economic use.
- **Safety:** Protect glasses against glass corrosion and clouding.



USE INSTRUCTIONS



For best hygiene results dependent on soiling, water hardness and rinse power of the dishwasher we suggest the following:

1 Check hygiene plan and product label for detailed use information.

2 Wear suitable protective clothing when handling the product.

3 Open 1 Tab for all soil levels.

4a For small dishwashing machines (filling volume below 20 L) place **Eco-Clin Tabs 88** manually in the dishwasher as shown in the pictogram. We recommend using a program without pre-wash.

4b For large dishwashing machines dose directly into the wash tank. Depending on the water feed and soil level these types of machines need an additional dosage after 5 washing cycles (see dosage table).

Degree of water hardness	Per dosage		Dosage after 5 washing cycle
	< 20 L	> 20 L	
Soft water	1	2	1
Medium water	1	2	1
Hard water	2	3	2
